Introduction

Let $\mathcal{T}$ be a topological space, a basis is defined as

$$\mathcal{B} = \{B_\alpha \in \mathcal{T} \mid U = \bigcup B_\alpha \forall U \in \mathcal{T}\}$$

Capital letters-only font typefaces

RQSZ

$\mathcal{RQSZ}$

$\Re\Im\mathfrak{S}\mathfrak{Z}$

$\mathbb{RQSZ}$
