Some of the **greatest** discoveries in science were made by *accident*.

Italicized text To make a text italic is straightforward, use the `( )` command:

Some of the greatest discoveries in science were made by *accident*.

Bold text To make a text bold use command:

Some of the **greatest** discoveries in science were made by accident.

Underlined text To underline text use the command:

Some of the greatest discoveries in science were made by accident.

Emphasising text Text can be emphasized using the command. Sometimes the command behaves just as , but is not exactly the same:

Some of the greatest *discoveries* in science were made by accident.

Some of the greatest discoveries in science were made by accident.

Some of the greatest *discoveries* in science were made by accident.
